### **MECHANISMS TO FOLLOW IN DIFFERENT CASES OF NON-MONETARY DONATIONS**

- A) Inform the Emergency Unit for International Management (UNEGI) over the existence of the donation.
- B) Send a letter, along with the donations, for its better control, which would have to be presented as a requirement at the exact moment it arrives in the country. This letter will have to include the following information: name, address and telephone number of the donor, precedence, detailed description, volume, weight, amount and approximate cost of the donations, information about the responsible person/entity for transportation costs, expiration date of medicines and/or food, if the donation offer is a specific response to a concrete request, mention where the request came from and specify the beneficiary of the donation.
- C) The donation would have to be addressed to the Permanent Commission of Contingencies (COPECO).
- D) In the case that the donation is made through marine cargo, it would have to be send to Puerto Cortés; and in the case of an airlift, it would have to be send to the national airport Toncontin in Tegucigalpa.
